School Life – Updates on the 2022-2023 school year

- What's happening at Oxford?
 - **Classroom configurations** – upcoming year classroom configurations

Jan outlined the new configuration to the SAC and the difficulties of offering electives in JH because of combined classes in JH (two 7/8 classes: one English and one French Immersion)

outlined that in Elem classes there will be combined classes next year

We will get a new Elem teacher which means a new configuration of rooms on the Elem level

Elem classes will all be combined except a straight P and a straight 1

Jan spoke about the possibility of asking the SAC to write the HRCE to talk about the negative impact of a 7 / 8 class and their electives

- **2023 - 2024** – We are growing – what does this mean?

As we continue to grow, get more students and class sizes increase the logistics of Oxford becomes a larger task

- **Student Success Survey** – Lots of participation, information gives us a valuable read on our school culture and climate.

We received a good amount of engagement from students - 70%

- **SAC spending** – Final spending request – Geography books on Amazon \$572 (Rough cost)

The funding was approved
